

## *I Sing With Joy and Gladness*

I sing with joy and gladness, my soul has found release.  
Now free from sin and sadness with God I live in peace.

His everlasting mercy to me has been revealed,  
His truth in my heart has been sealed.

My former resolutions to lead a better life  
were only vain illusions, my soul was still in strife.

Now on the love of Jesus completely, I rely.

For me he was willing to die.

When thoughts of guilt oppress me and I through weakness fail,  
the Savior yet will bless me, his mercy does prevail.

Forgiveness for the sinner, his loving heart provides,  
his faithfulness ever abides.

The evil adversary may in his fury smite,  
I fear not for I carry God's armor in the fight.

The word divine and mighty shall victory obtain.

Its strength shall forever remain.

Now marching on courageous with joy I see my goal.

The blessing of the ages, the haven of my soul.

And on the pilgrim journey, my voice in song I raise.

My God and my Savior to praise.

## *Desert Song*

This is my prayer in the desert when all that's within me feels dry.  
This is my prayer in my hunger and need, my God is the God who provides.

This is my prayer in the fire, in weakness or trial or pain.

There is a faith proved of more worth than gold,  
so refine me Lord through the flame.

I will bring praise, I will bring praise.

No weapon formed against me shall remain.

I will rejoice, I will declare. God is my victory and he is here.

This is my prayer in the battle when triumph is still on its way.

I am a conqueror and co-heir with Christ so firm on his promise I stand.

I will bring praise, I will bring praise.

No weapon formed against me shall remain.

I will rejoice. I will declare. God is my victory and He is here.

All of life in every season, you are still God.

I have a reason to sign, I have a reason to worship.

All of life, in every season, you are still God.

I have a reason to sing, I have a reason to worship.

All of life, in every season, you are still God.

I have a reason to sing, I have a reason to worship.

I will bring praise, I will bring praise.

No weapon formed against me shall remain.

I will rejoice, I will declare, God is my victory and He is here.

This is my prayer, in the harvest. When favor and providence flow.

I know I'm filled to be emptied again. The seed I've received I will sow.

## *Doxology*

Praise God from whom all blessings flow.

Praise Him all creatures here below.

Praise Him above ye heav'nly hosts.

Praise Father, Son and Holy Ghost. Amen.

## *Everlasting God*

Strength will rise as we wait upon the Lord.

We will wait upon the Lord, we will wait upon the Lord.

Strength will rise as we wait upon the Lord.

We will wait upon the Lord, we will wait upon the Lord.

Our God you reign forever. Our hope, our strong deliverer.

You are the everlasting God, the everlasting God.

You do not faint, you won't grow weary.

You're the defender of the weak, you comfort those in need.

You lift us up on wings like eagles.

Strength will rise as we wait upon the Lord.

We will wait upon the Lord, we will wait upon the Lord.

Strength will rise as we wait upon the Lord.

We will wait upon the Lord, we will wait upon the Lord.

Our God, you reign forever. Our hope, our strong deliverer.

You are the everlasting God, the everlasting God.

You do not faint, you won't grow weary.

You're the defender of the weak, you comfort those in need.

You lift us up on wings like eagles.

You are the everlasting God, the everlasting God.

You do not faint, you won't grow weary.

You're the defender of the weak, you comfort those in need.

You lift us up on wings like eagles.
